

ALANO CLUB
MEETING AGREEMENT IN THE TIME OF CoVID 19

The Board of the Alano Club has agreed to open the facility for meetings. The following are conditions to be met to maintain a healthy facility for all users and to follow State of Utah guidelines as posted on the front door.

- Do not come to this facility if you are feeling ill, have a fever, or have been exposed to the Corona Virus.
- Do not bring cakes or food to share and do not make your own coffee.
- We highly suggest the use of masks in any form for your sake and the sake of individuals here who are at high risk.

For your safety, the Alano Club will sanitize the rooms after every meeting.

Meeting Capacity by Room

The Big Room: No more than 50 people.

The West Room: No more than 20 people.

The Dixie Alano Club will not police your group. It is the responsibility of the home group members to ensure the capacity has not been exceeded and that 6 ft of social distancing and masks will be used. These conditions include the back porch.

Employees of the club do not have any authority over these decisions. Any harassment of employees over these conditions may result in a temporary ban from the premises. Please refer any questions or concerns to the Chairman of the Board.

Agreement will be revoked and meetings will not be allowed to use the facility if these conditions are not adhered to. If the State of Utah guidelines change, these conditions may be reevaluated and adapted for Phase changes.

Thank you for your cooperation during this time.

A handwritten signature in black ink, appearing to read "Tom D.", with a long, sweeping flourish extending to the right.

Tom D.
Chairmen of The Board,
Dixie Alano Club

General guidelines for businesses:

All businesses open and take reasonable precautions.

Dine-in service open with appropriate social distancing and hygiene measures.

Encourage flexible work arrangements, follow hygiene guidelines, and continue social distancing in the workplace.

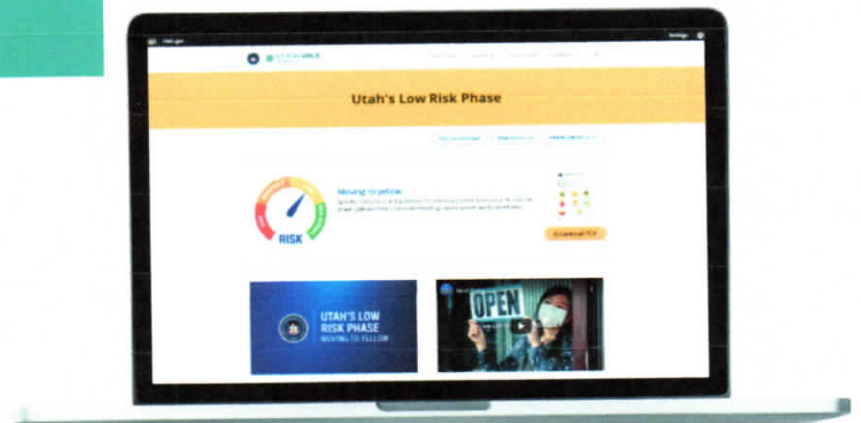

High-Risk Individuals:

- ✓ Face coverings worn in settings where other social distancing measures are difficult to maintain
- ✓ For any travel, use appropriate precautions; avoid high-risk areas
- ✓ Telework if possible, if not, maintain 6-foot distance
- ✓ When visiting friends or family, wear face coverings when within a 6-foot distance
- ✓ Limit physical interactions with other high-risk individuals, except for members of your household or residence
- ✓ Social interactions in groups of 20 or fewer people outside your household or residence
- ✓ Limit visits to hospitals, nursing homes, or other residential care facilities

Children:

- ✓ Maintain social distancing in public settings
- ✓ All symptomatic children should stay home from childcare, and will be sent home if exhibiting any symptoms
- ✓ Limit child interaction with other children in public spaces (e.g. playground equipment)

Utah's Low Risk Phase

What does it mean and what can you do?

Moving to yellow

Utah's efforts to slow the spread of COVID-19 have been working. Finding a new normal won't be instant, like flipping a switch, it'll be more like gradually moving a dial.

Continue to follow the public health protocols for Low Risk (yellow) to keep the dial moving forward and to prevent it from turning back.

High-risk individuals operate under stricter instructions because they are more likely to suffer severe illness from COVID-19.

General guidelines:

Social gatherings in groups of 50 while maintaining social distancing.

Maintain social distancing in public settings.

Face coverings worn when social distancing is difficult to maintain.

Symptom check prior to team sport competitions or practices.

K-12 schools reopening anticipated for 2020/2021 school year.

Pools open with social distancing.

6-foot distance between household groups at events & entertainment venues.

Spacing between household groups, multiple meeting schedules for smaller gatherings and stream services if preferred.
